Fr Nick led us with opening prayer.

Under new business, Pete Schlau asked to have a report from the Endowment Committee.

Fr. Nick asked if there were any corrections or additions to the January minutes. Hearing none, Mark Korzelius motioned that we accept the minutes as written. Pete Schlau seconded it.

In reviewing the January financial report, it was suggested that there be a new line included that broke the budget down to per week. Fr Nick will ask Mike Somers about this comparison. January is quite often a very hard month as several bills come in.

## New Business:

In person mass still not happening and no idea when we will be able to have it. Bishop Sean will make that determination when he feels it is safe. If anyone wants to contact the Bishop with ideas, he is willing to listen. Also Eric Boron is a member of the Standing Committee and will gladly pass on anything you'd like to share.

### Ash Wednesday:

1. Normal liturgy
2. Church will be open all day where there will be packages of ashes
3. Stations of the cross will be online
4. Online service at 7:00 pm.

### Moving into Lent:

- Services to continue
- if you hear of anything Fr. Nick needs to know, please contact him

### Boiler:

Has been fixed. The parts are hard to find so the plumber has checked it each day so Jack and Jill will keep warm. It was suggested that we do a shout out thanking him. One idea was to say something on the sign out front.

It has been suggested that we continue to thank everyone for their donations whether financial, time or talents.

### Parking Light:

This has been fixed.

### Snow Plowing:

Very pleased with this so far this winter

### Mouse Situation:

No concerns with seeing any in the church. If there are any at the rectory, Fr. Nick's cats are taking care of it. Taking the day lilies out near the garage may help this spring.

Pete Schlau made a motion to adjourn at 7:50 pm and Kris Dodge seconded it. It was accepted with a unanimous vote.
